towards Financial Self-Sufficiency"***

### PRESS RELEASE

#### **"Caribbean Financial Planning Association Signs MOU with The Chartered Institute of Bankers in Scotland"**

The newly-formed CARICOM professional body, the Caribbean Financial Planning Association (CFPA), based in Trinidad, has entered into a MOU with The Chartered Institute of Bankers in Scotland (CIOBS). CIOBS is the oldest banking Institute in the world; the most prestigious body for professionals in the banking and finance industry in the UK; and the only organization in the world that can confer the designation, Chartered Banker, on its members. The MOU gives the CFPA distribution rights across CARICOM, except for the Bahamas, for all CIOBS's leading-edge, online, professional courses.

The CFPA's mission is:

*"To assist the career development of our financial professionals, enabling them to empower the peoples of CARICOM towards financial self-sufficiency".*

As part of this mission, the CFPA helps young and mature professionals fast track their careers towards the gold standard in banking, Chartered Banker, the premier qualification for professionals in financial services, as well as other financial specialisms.
